

Moon Dusts work synergistically at the deepest levels to enhance your beauty, brain, body, sexual energy, sleep and spirit. These transformative formulas are alchemized with the most potent organic and wild-crafted herbs, adaptogenic plants, and bioactive minerals available.

Each Moon Dust comes in a glass jar filled with 15.5 servings depending on taste and desired level of potency. Add one teaspoon to 8oz of any hot or cold liquid. Delicious with nut milk, water or tea. Don't be afraid to double dose!

Moon Dusts love to travel with you and can be taken in your daily tote or on an airplane.

### **BEAUTY DUST**

This ancient empiric formula expands beauty through alchemizing elements legendary for their youth preserving, fortifying and tonifying qualities. Glowing supple skin, lustrous shiny hair and twinkling bright eyes are holistically bestowed from the inside out.

### **SEX DUST**

A lusty adaptogen to ignite, excite and cultivate the sexual flow in both men and women. This ancient, warming elixir sends waves of sensitivity and power to all the right places, as it supports your primordial energy and vital essence. A holistic approach to deeply nourished sexual vigor, supports not only the bedroom flow but your highest creative potential.

### **ACTION DUST**

An ancient elite formula to support your peak performance, stamina and longevity, while aiding in healthy recovery. Imbibe this athletic, adaptogenic potion to regulate the body's vital energy, healthy metabolic function and maximize your ability to withstand stress and injury. This divine energy formula feeds the thriving physical body and unites the heart and spirit with sacred herbs.

### **GOODNIGHT DUST**

This nightcap has been alchemized with calming herbs to gently and effectively lull you into your naturally inherent nocturnal rhythms. As you slip into deep, sound slumber, all systems are provided a sense of soothing support and emotional calm. True well-being is achieved with regular deep resting.

### **SPIRIT DUST**

This divine energy formula feeds the thriving physical body and unites the heart and spirit with sacred herbs. Alchemized with adaptogens known to promote awareness, creativity and joy for a peaceful mind and expanded existence.

### **BRAIN DUST**

This enlightening mental potion has been alchemized with elite herbs used traditionally by great thinkers and meditators. An adaptogenic elixir to maintain healthy systems for superior states of cognitive flow, clarity, memory, creativity, alertness and a capacity to handle stress.
